## Discover Whitewater Series Course Maps Released

Whitewater, Wis. - The Greater Whitewater Committee (GWC), will debut their inaugural Discover Whitewater Series on Sep. 22, 2013. The series will feature a *Half Marathon*, *Half Marathon Relay*, *5k* and *Fit Kid Shuffle* through scenic and tranquil Whitewater. The course maps for all racing events have now been released and are available to view on the website.

The *Half Marathon* and *Half Marathon Relay* will feature beautiful destinations throughout all of Whitewater. The just over 13 mile journey will commence at 8 a.m. on race day at Whitewater High School and Aquatic Center. The course will then take you through the friendly neighborhood setting of Whitewater on your way to the University of Wisconsin-Whitewater. Once there, you will travel through the heart of campus on your way to the Warhawk athletic complexes and Perkins Stadium. It will then travel through Fairhaven's Prairie Village, back to the new Starin Road and through the Whitewater Industrial Park and Whitewater University Technology Park. The final leg of the race will take you through the south-eastern section of the city and end where it began, the Whitewater High School/Aquatic Center. Both the Half Marathon and 5K have been certified by the USATF.

The *5K*, although a much shorter journey, will still offer participants a great opportunity to discover what Whitewater has to offer. At 8:15 a.m. this race will begin near the Whitewater High School/Aquatic Center and take runners through residential Whitewater along with beautiful downtown Whitewater. For all races there will be one pre-race hydration station for race participants. The Half Marathon features 10 hydration stations plus 6 aid stations throughout the course. Hydration and aid stations are also positioned throughout the 5K and Fit Kid Shuffle routes. Toilets will be available at both the start and finish and also along the race course. Free parking will also be offered to both runners and spectators. More specific details about the course maps and features will be found on our website.

Registration is still open for all events by visiting our website [runwhitewater.com](http://runwhitewater.com). Proceeds from the series will go to five local organizations to assist them in building a stronger Whitewater. Those organizations are Whitewater Unified School District, Bethel House, UWW Athletics, W3 (wellness organization) and the Whitewater Aquatic Center.
